

ANDREW OYLER

As a player, Andrew spent his entire youth career at United 1996 FC/River City Rovers. He won State Cup 5 times with his team. He also played soccer at Male during his senior year of High School, but unfortunately was injured for the majority of his other high school seasons. After having a multitude of knee injuries and three knee surgeries, Coach Oyler decided it was best to hang up the boots after High School. Andrew began coaching at Mockingbird in 2017. He has his USSF C Coaching License. Andrew completed his Master's in Sport Management from the University of Florida in 2021 where he specialized in Athlete Development and received certification through the Professional Association of Athlete Development Specialists. Andrew holds the role of U12-U14 Director of Player Development and Club Administrator, in addition to coaching the 2011 and 2012 Boys Gold teams.
