Coach Kelaiah Clark is a native of Louisville, KY. Soccer has always been a big part of her life as a player and now she is coaching the 2006 Girls White team at our club. As a player, Coach Kelaiah played for Derby City Rossoneri and also played at PRP high school. During her time at PRP high school, she was a 3-year captain for the program. After high school, Kelaiah continued her playing career at Campbellsville University where she was also a team captain her senior season. Coach Kelaiah graduated from CU with a Bachelors Degree in Spanish and Political Science. She spent time studying abroad in Spain as well. Kelaiah dove right into coaching after being named the head varsity assistant/JV head coach at Floyd Central high school this past July. Her immediate impact on the team made her a perfect fit to join staff at Mockingbird Valley Premier coaching the 2006 Girls White team. Her knowledge of the game and positive demeanor make her a very effective, young coach.
