

# RYAN FREY

---

Ryan was born here in Louisville and grew up in Oldham County learning soccer from his dad and 3 older brothers. He started playing organized soccer when he was 5 years old in OCYSA, and eventually with Javanon and Bon Air soccer clubs until he left for college. Soccer continued to be part of his life by playing indoor at Mockingbird's adult leagues and enjoying the game as a fan. Ryan then found a real passion for coaching and discovered a whole new way to enjoy the beautiful game. He began working on a variety of coaching licenses, which led to him earning his USSF "C" license in 2010. He spent 4 years coaching at Javanon Soccer Club before transitioning over to high school for two seasons at North Oldham. After the birth of his son, he had to step away for a while to focus on his family and career. However, now Ryan has found himself back in the role as coach with Mockingbird Premier.
